REMEMBER . . .

Some events and emotions make such an impression on our minds that we are constantly recalling them. The special moments in our minds when we carefully relive these happenings are memories. A few perhaps are bitter, but hopefully you will dwell more on the happier ones. It is our hope that with whatever feeling you will always remember

This year's annual is not dedicated to one individual as is customary. Instead, the editorial staff wishes very simply to dedicate the 1973-74 Appalachian to memories. After all, it is not just one person, but every student and teacher, who shapes MHS. No individual is special to everyone, so we dedicate this book on the principle that everyone is special to someone.

REMEMBER . . .

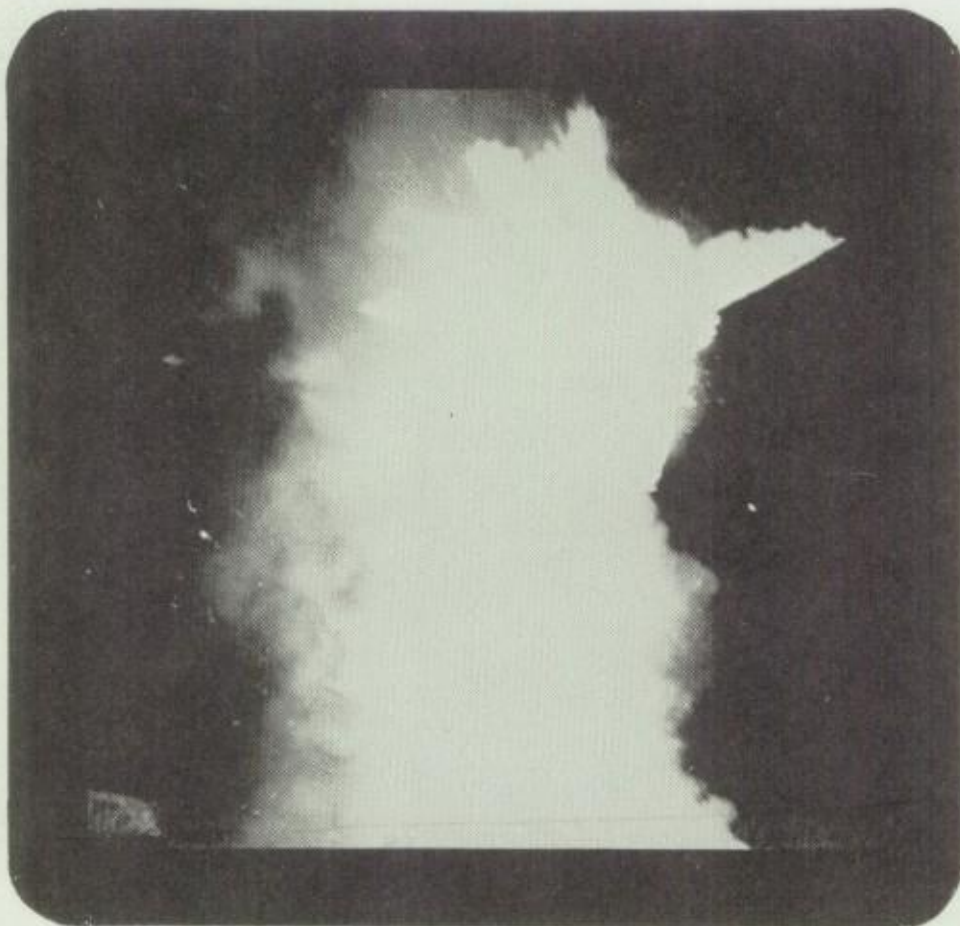

So it's the laughter we will remember
Whenever we remember
The way we were.

Arthur Laurents

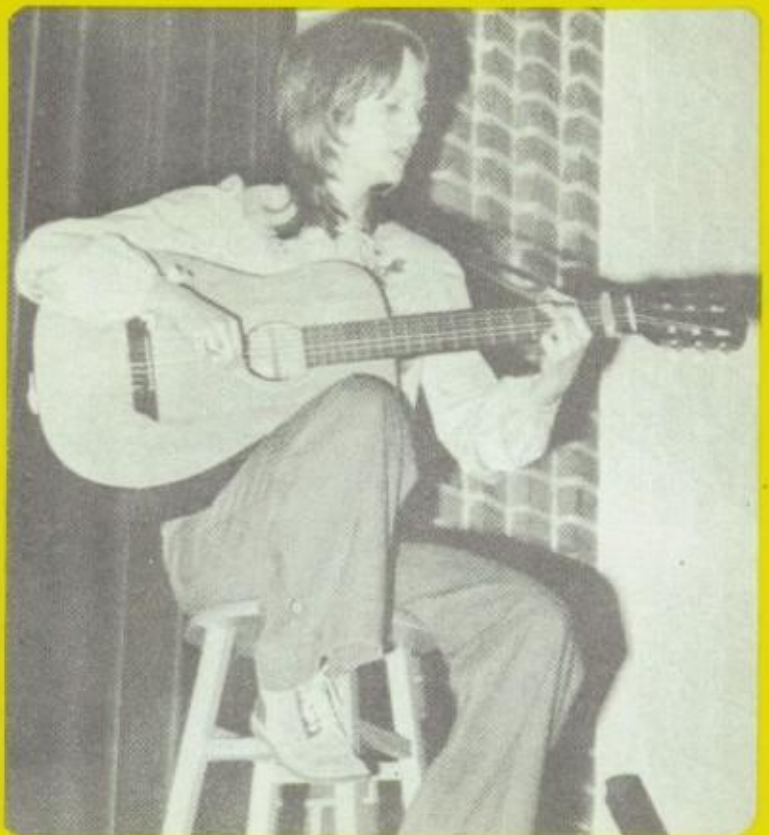

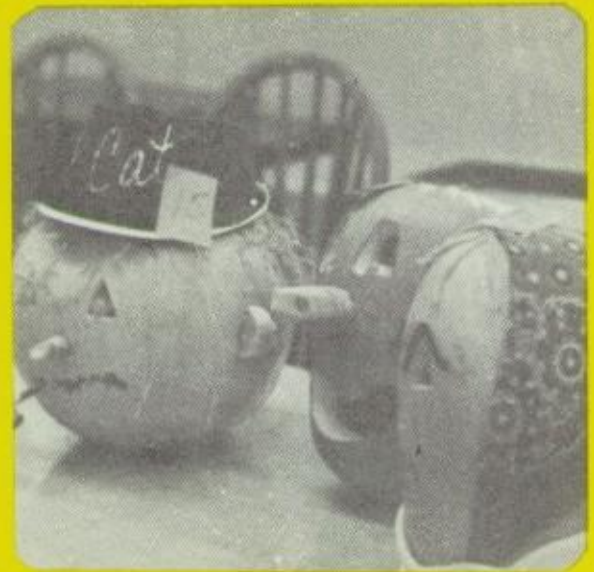

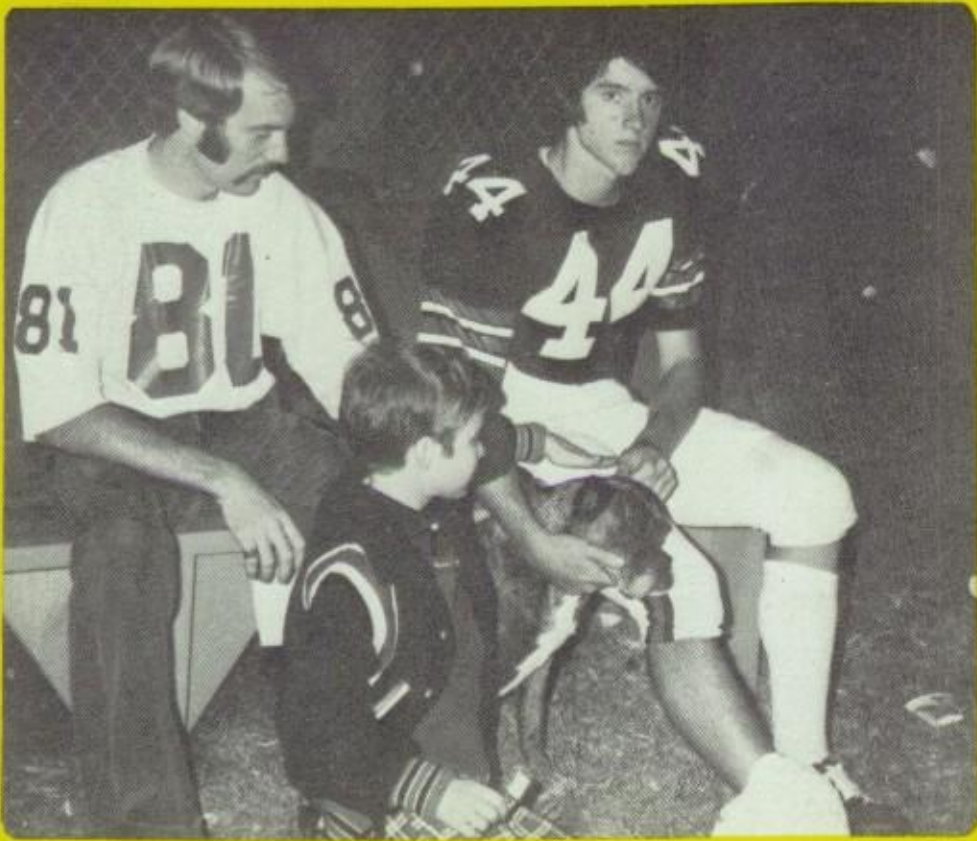

REMEMBER . . .

As the 1973-74 school year draws to a close, we look on to what lies ahead. Some will return to MHS, but others must leave the atmosphere of friendship and security. We sincerely hope this edition of the Appalachian will serve as a guide to your memories.

The Editors

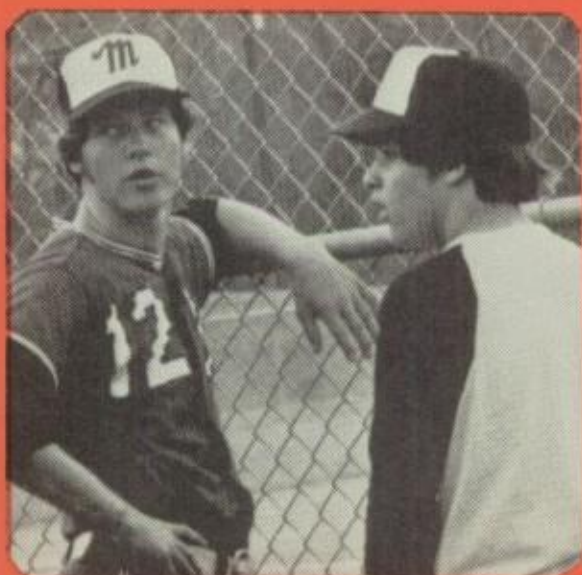

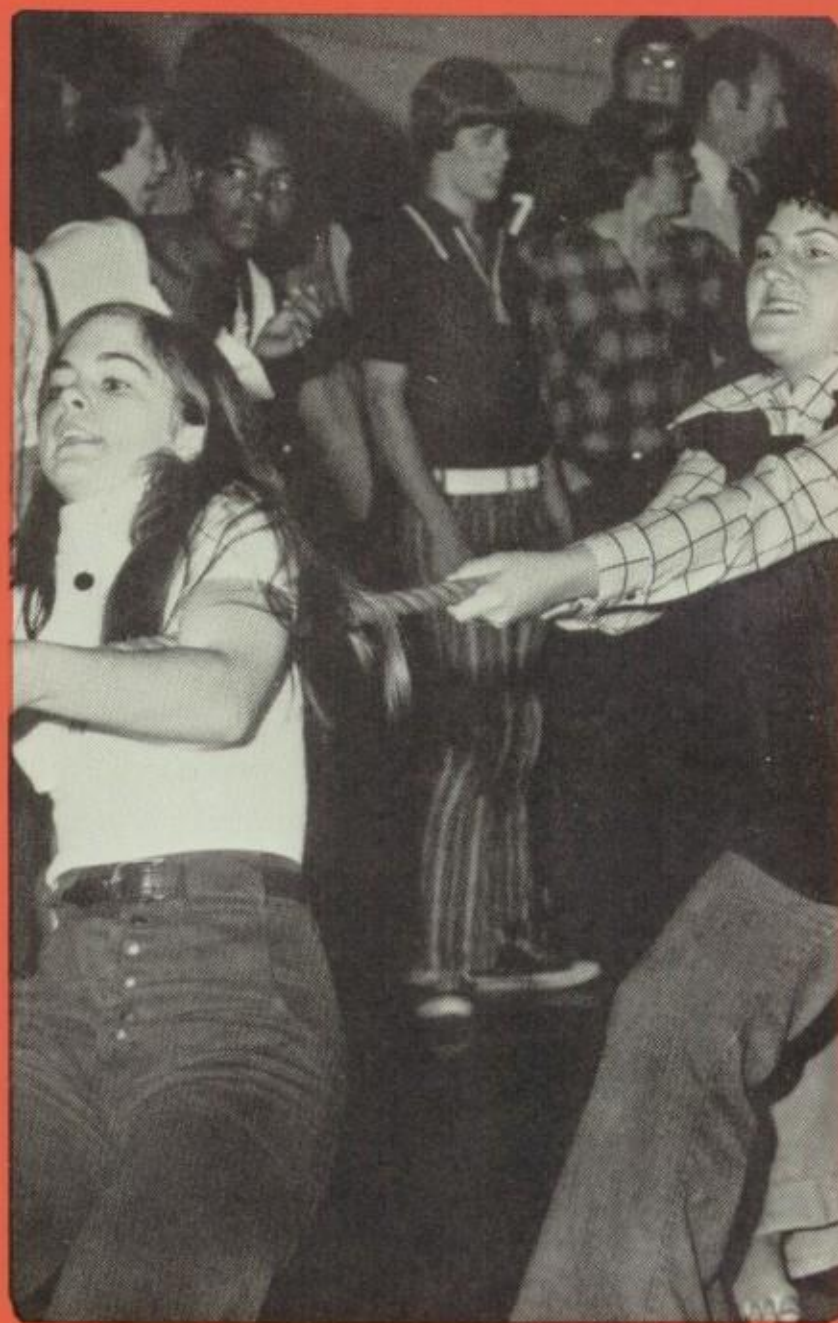

REMEMBER . . .

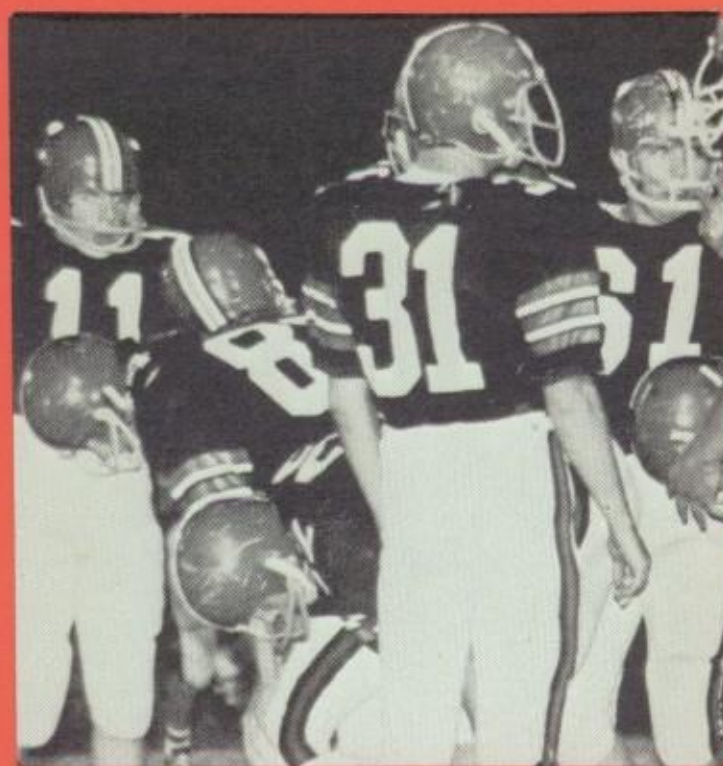

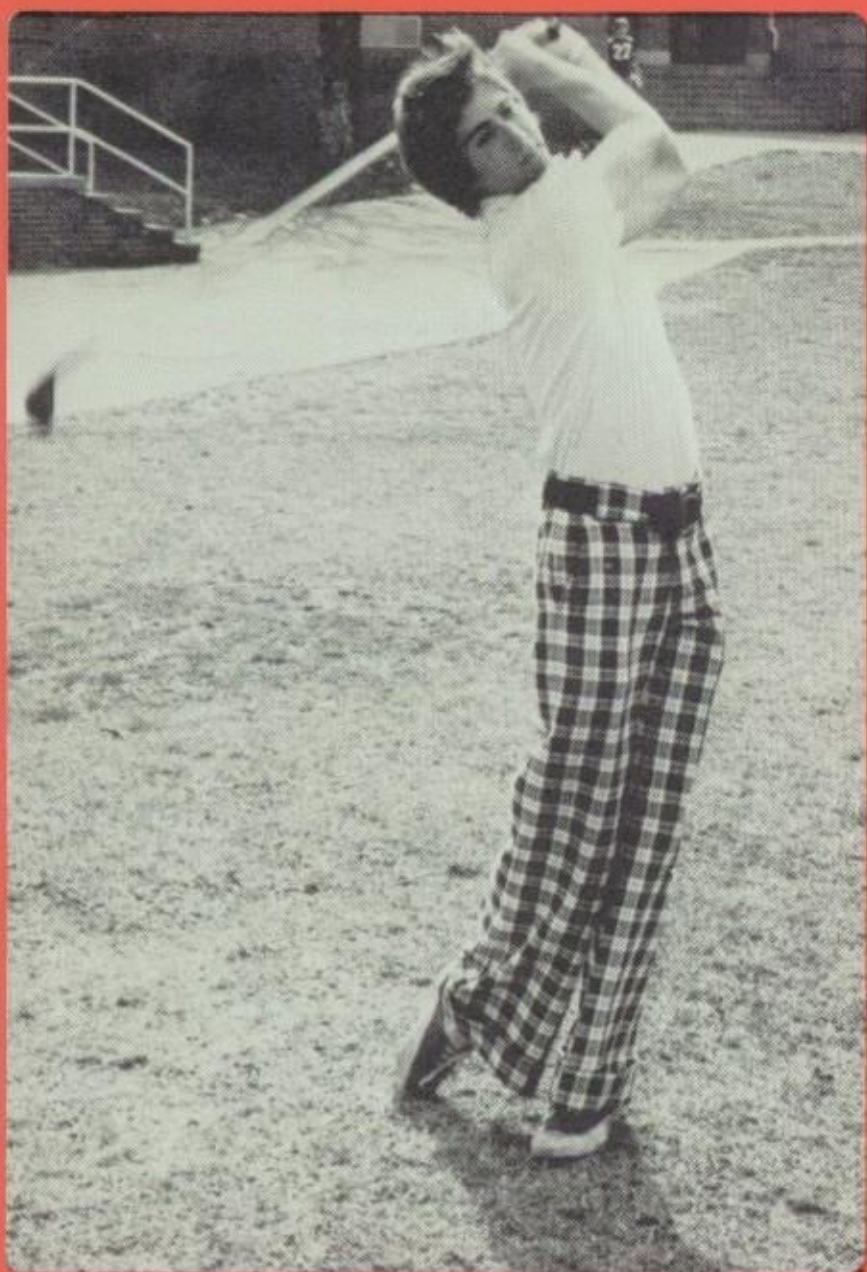

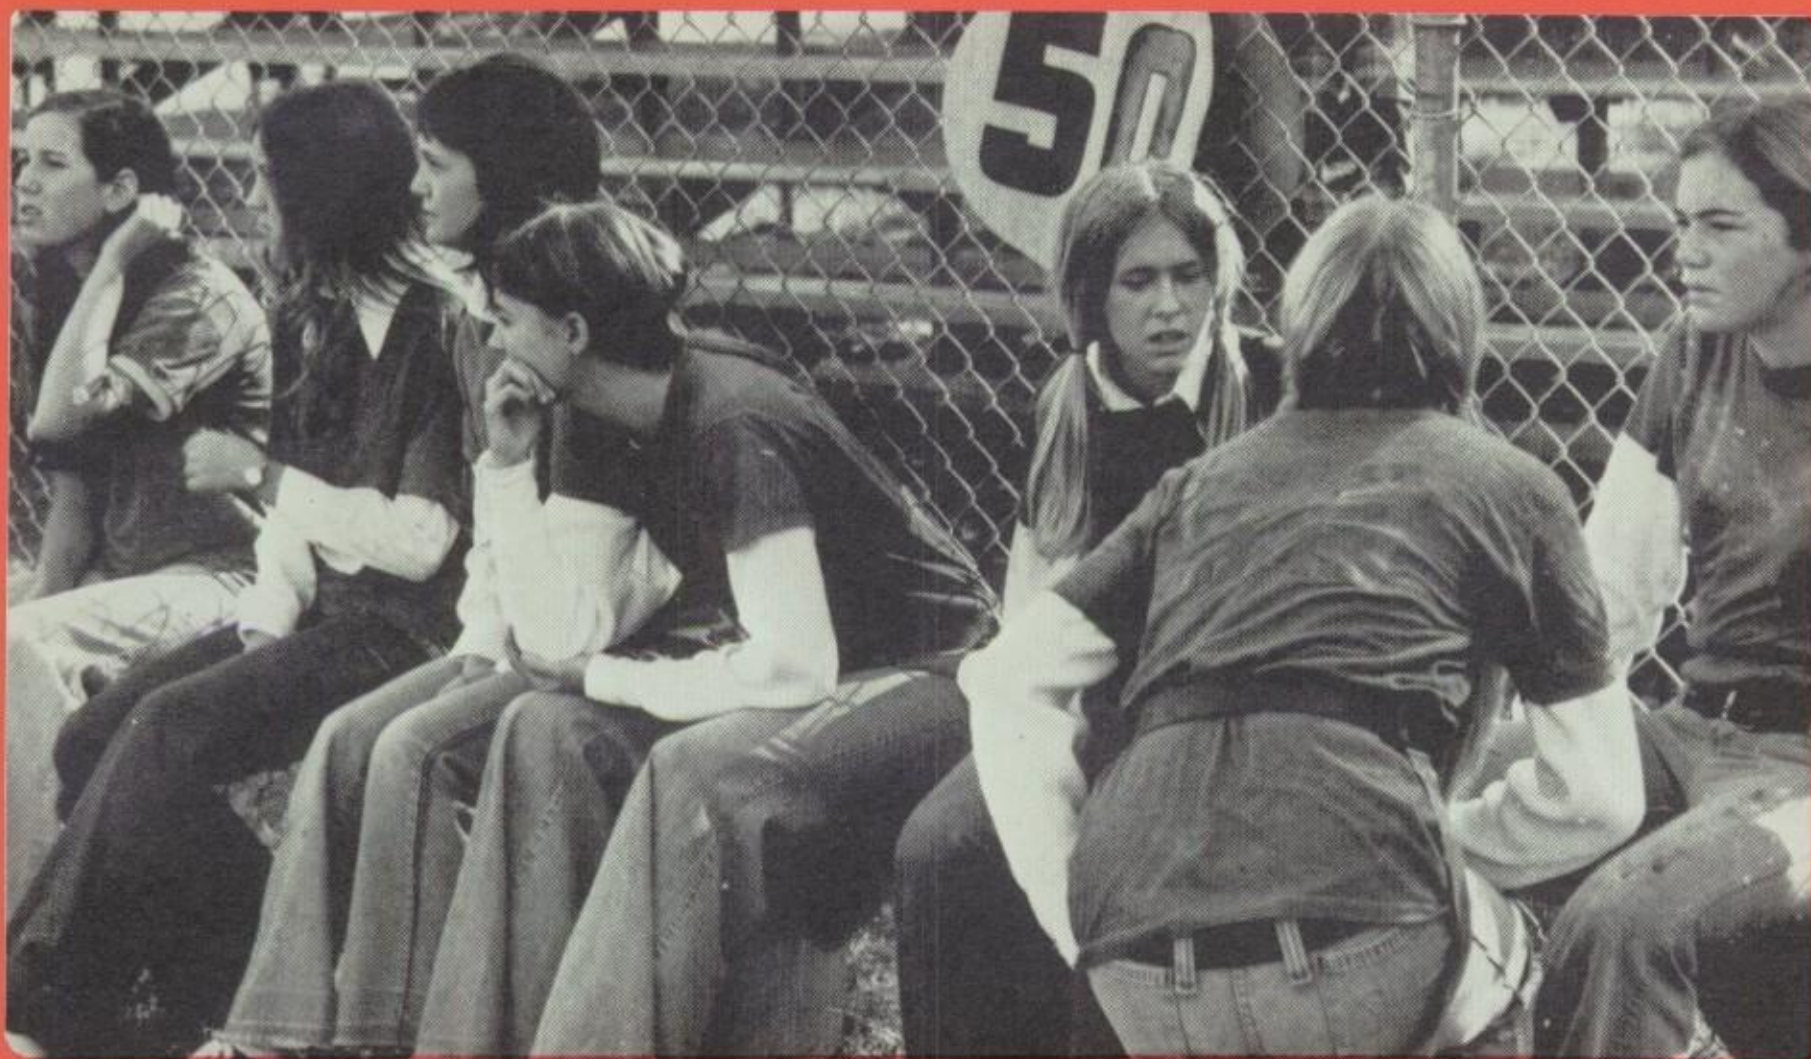

" . . . The memories of these days
we'll cherish AT DEAR OLE
MARYVILLE HIGH . . . "

Long Ago
Our dolls could walk.
Long Ago
Teddy bears talked.
Then, one day
They seemed to die . . .
It might have shocked us
But we did not cry.

REMEMBER . . .

Years have passed . . .
 We've grown much older;
 Our minds are strengthening
 And growing bolder . . .
 Though we no longer
 Reason like a child;
 Memories help to think more mild.

REMEMBER . . .

Sure we all remember the 3am homework, the pop quizzes, the unfair rules, and the grouch-who-never-liked-me-because-I-have-sideburns-like-her-son-in-law. But let us also remember those teachers who . . .

Sponsored our clubs

Directed our plays

Passed the week-end poring over each and every Section Survey

Could see the funny side of Shakespeare and Faulkner and still leave us with a healthy respect for both

Passed us even if we couldn't stumble through a forward roll or a v-sit

Laughed with us, not at us

Cheered on their team, and ours

Said you can; you will; so we did

Gave us a third second chance

Soaked up all our steam about the Energy Crisis, Saturday night's 'date, flat feet, some crazy rule

Remember the people who taught us more than the facts we simply forget.

STUDENT COUNCIL

The Student Council, which includes Julia Goddard, Jenny Phillips, Rick Lindsay, David Campbell — President, Melissa Goddard, Greg King, John Olive, Bud Gilbert — Vice-President, and Jill Flickinger — Secretary, operates as a vital part of MHS. Concern for the student body led the group to attempt a compromise on the smoking issue, although student apathy prevented any action. Through the election committee, the council also worked on the revision of our present elections. The members raised money for student handbooks and shakers by running the concession stand during intramurals. Homecoming festivities were also sponsored by the Student Council. With "Harvest of Rebel Glory" as the theme, the school participated in foot races, a doughnut-eating contest, a dress-up contest, and as always the float contest. In all these activities Miss Roberts and Mrs. Lovingood provided faculty sponsorship.

AMERICAN FIELD SERVICE

CHARLES

In the future, as I look back on my high school years, I know that my two months experience as an AFS American Abroad in Baalbeck, Lebanon, will be outstanding in my memory. I will always treasure the memories of the people I met and the fascinating places I visited. I feel very fortunate to have been chosen to spend the summer of 1973 in Baalbeck. There is no way to express what an AFS summer means to the participants or to count the opportunities that it offers.

Sincerely,
Charles

CHANTAL

Dear friends,

All AFS students who come to the USA want to go to California or one of the well-known states in the North. It is a good thing I didn't go there because I couldn't have found people as hospitable and friendly as I did here.

I am glad I had the opportunity to learn to understand American ways and to share a lot of activities with you. I'll keep in my mind all these good times we had together.

A year is too short. I didn't have time to do all I wanted to do, but I made a lot of friends and that's what counts for me!

Thanks to all of you without whose help I could never have learned as much and could never have had fun like I have had this year.

Love,
Chantal

TASNEE

Dear friends at MHS,

This year has been really wonderful for me — a great time joining with you all. I started from the bandroom to get to know ole Maryville High. You are wonderful people here — you really are! I've learned a lot from you. I hope our friendship and understanding will be remarkable and last forever.

The most important thing is that I really do thank all my beloved teachers and friends who have helped me in everything throughout this year. And don't forget you are very welcome to my homeland, Thailand.

Good bye and good luck,
Tasnee

P.S. To all band members: Thanks a lot. I enjoyed knowing you all very much. I will never forget Band Camp, band practice, marching, ball games, band trips and pep rallies. These were just great!

The seemingly endless task of designing the 1973-74 Appalachian began in August when the Editors attended a yearbook workshop. Long nights and work-filled holidays were spent by the staff drawing pages, placing pictures, and typing print to achieve the goal of final publication. Through it all the staff was always able to find something to keep them laughing. The editors and staff are very grateful for the support of the student body, the unselfish help of faculty advisor, Mr. Smith, and publishing company representative, Mr. Gerald Hunter, and others who have helped make the Appalachian a reality.

BUSINESS AND CIRCULATION

BUSINESS AND CIRCULATION STAFF: Lora Reed, Melinda Spears, Terrie Merritt, Brain Campbell, Chuck Blair, Robert Reiger, Charlie Haynes, Nancy Griswold, Lisa Britton.

Ever wonder who sells popcorn, cokes, and candy during MHS home basketball games, or who makes sure every annual is correct? In addition to selling annuals, these jobs are all part of the work done by the Business and Circulation Staff. Without these services the Appalachian could cost quite a bit more than \$7.00.

PHOTOGRAPHERS

PHOTOGRAPHERS: Doug Davito, Tim Webb, Dan Cragan, Garry Tener.

Sufficient credit is rarely given to the students who spend long hours taking, developing and printing the pictures needed for the Appalachian. Only 1 out of every 10 pictures is used in the annual, and this year 162 rolls of film have been developed. Doug Davito provided capable leadership for this group.

Again, the 1973 Rebel football team came out near the top in the state lineup. Enthusiastically backed by the student body, the Rebs rallied to an impressive 9-1 season. Advancing to the District finals, the team routed Rule High School to become District Champs. Hendered by numerous injuries, the Rebels met with a disappointing defeat in the State Semi-Finals. This year's squad boasted 2 All-East Tennessee players, Steve Gilbert and Lee Gowan who also gained All-State honors. In addition, they provided MHS with 7 All-Blount County players and a broken record. Steve Gilbert rushed for 1052 yards to set a new mark for total yardage gained in one season. The Rebels definitely fulfilled the expectations of the MHS student body.

Under the leadership of Coach Jim Campbell, Maryville's Rebels bounced off to a big year of dribbling, passing, shooting and scoring. It was a season filled with high excitement — the tallest team in MHS history. All our players worked and played hard, and two of them, Gary Walker and David Campbell were named to the District VIII Tournament team. Gary, with an average of 18.8 points per game, went on to gain a spot on the All-District team. With talent and drive, the entire team finished their season with 10 losses and 15 big wins.

Headed by Captain Karen Caughron, this year's Rebelettes competed for the first time in District III. Irregular game times often prevented strong student support, but even without this inspiration, the girls showed their spirit on and off the court. Annette Adams led the team in scoring with 14.25 average, while Becky Davis was the top rebounder.

Posting an impressive 4-0 record, the MHS swim team was again strong this year. With Norman McKinnon as coach and Rick Lindsay and Libby Cochran as captains, they rolled past Alcoa (115-21), Farragut (108-62), Oak Ridge (92-80), and Central (104-35). In State competition the boys placed 4th overall and finished 3rd in both relays. Doug Lambert led the boys with a 2nd place state win in the 100 freestyle and a 4th in the 50 freestyle. Beth Cockerham was the highest state winner for the girls with a 3rd place in the 100 breaststroke, but Libby Cochran was right behind with a 4th place finish in the same event.

STUDENT CREATIVITY

The Pyrmidal Blossoms Of Life

Upon finding a lilac bush planted
deeply into the unknown hillside,
the minute woman's thoughts began to wander
"Why should such a thing of beauty
be deserted?" she pondered.

Although the tiny starburst blossoms seem
to be radiant in the sunlight,
they also express grief for they are
memory blossoms of a loved one's death.

But, underneath the harrowed gate,
where young children play,
the huge clusters of lavender happiness
do not bring solitude to the children,
but joy and the ecstasy of life.

And, upon the garnished walnut dresser
they stand proud and tall,
the vase of loveliness, which showers
its scents upon the clinging drops of air.

And, on the wedding day, the untouched
bride loosely holds her bouquet of hope.
If only we could capture the aroma
of the lilac for one silent moment,
how gratefully our hearts would be fulfilled.

Third Place — Mary Beth Miser

I am caught.
I am trapped in time by the failures of the past
and the fears of the present.
Yesterday and today close 'round me.
In the distance I see tomorrow dwelling among my desires.
I am caught.
I am trapped in time.
